- All the work should be submitted in a single file.
- Make a front page mentioning your basic details "name, class"

> KHEIO
> INDIA

## ENGLISH

1. Do Not Use Me Even though habits are sticky, bad ones should be left behind. Ponder upon the bad habits/ etiquettes which you must swipe away from your regular routine.

- How to do - Think of 7-8 bad habits that you possess and wish to get rid of
- Form small cards and write those down beautifully in cursive handwriting.
- Where to do - Create a small bin/ box and place your cards in it.

2. Menu Card Design is one of the most important advertising tools for every restaurant. Customers can gauge quality standards and personality of a restaurant by seeing its menu card. So, to get your restaurant going, design an impressive menu card to entice your diners. Imagine you are an owner of a restaurant and you are planning to revamp the menu of the restaurant. Design a card on the following cuisines: Indian South Indian, Punjabi, Gujarati, Bengali, Continental and Chinese.
3. Book Reading is crucial to everyone's success. It is one of the most fundamental skills a child should acquire. It helps not only to enhance their vocabulary but also to acquire values which indeed equip them to live a meaningful life. Enjoy reading any one of the following books OR the book which you have got at home:
1) Matilda by Roald Dahl
2) Secret Seven series (any 1) by Enid Blyton
3) Charlie and the Chocolate factory by Roald Dahl
4) Tom Sawyer by Mark Twain
4. Make a book review of the book you read. It should include the following:
a) Book Cover (Draw an important scene)
b) Title of the book
c) Name of the author
d) Your favourite character from the story
e) His / her character sketch
f) The reason why you liked the book. Use your creativity to prepare a colourful book review using a colourful scrap book.
