

## Iconic School starting first academic session 2017-18

■ Staff Reporter

ICONIC School, a lush green campus spread over 21 acres is all set to start its first academic session 2017-18, with an aim to provide a perfect blend of ancient and modern education.

The Iconic School is a CBSE school from Nursery to grade 8 in the upcoming session. The school is located at Bhadbhada Road, Bishen Khedi is modeled on the Theory of Multiple Intelligences. This theory differentiates intelligence into specific modalities, rather than seeing it as a single general ability. The school motto 'Learn Today, Lead Tomorrow' constantly inspires to believe that our tomorrow is the sum total of what we achieve today. The School presents the educational infrastructure that combines the knowledge of ancient wisdom and modern technology. Digital classrooms and learning resources have been set up to enhance student's ability to take their experiences fur-

ther and convert them into expertise. State-of-the-art facilities in science, math and computer laboratories urge students to discover the art behind each stream of studies.

Considering the role of parents and guardians for a child's education, Iconic School offers an extensive parent partnership program. It keeps all-important channels of communication wide open, ensuring parents can speak with them at any stage. "To inspire young minds to think creatively, laterally, solve problems and develop a lifelong enthusiasm for learning is the mission of The Iconic School. The key to achieving this goal is to pursue a value based education process that acts as a nucleus around which all our school activities revolve. Extreme importance is given to the fact that emotional stability plays a very significant role in the healthy growth of a child, which is established through developing a genuine personal rapport with our children", said school officials.
